Evan, Natalie and Group of students filming in the rain!

LEADERSHIP

Congratulations to all the students who have been working on their movie making over the first half of the year. The idea of students creating short films came from discussions with Natalie Bond at the end of 2015 when trying to plan our "Big Event" for the middle of this year. This is usually a show case of our Arts programme. In 2015 we had a concert and drama production and in 2014 the students participated in a dance production.

Therefore in 2016 we wanted to try something innovative and engaging for the students. The idea of creating a movie was started. Fortunately were also able to harness the skills of Evan Bailey our Technologies teacher who also happens to be a professional photographer.

Evan and Natalie began planning for the movie during the January school holidays. Hours were spent looking for the equipment required and the various art forms of film making. The school invested heavily in cameras, microphones, newer computers and even a green screen studio with lights.

Early in Term 1 students in each class began planning their movies. The teachers spent time on story boarding, camera angles and sound techniques. This part was vital before the students even had a chance to start filming.

During Term 2 the filming and voice overs have been underway. Students have been very excited dressing up in different costumes. We even had classes filming in the rain and storms at night! What enthusiasm for school and learning!

The final phase of editing is now underway as the 14 class films come together for the Big Event.

I would like to take this opportunity to thank Ms Natalie Bond and Evan Bailey for their tireless work and the countless hours spent before and after school in preparation. The students have been lucky to have such a dedicated team.

Also thank you to all the class teachers who have supported the process by having filming occurring at various times throughout the days and finally thank you to the parents who have helped with costumes and bringing students back to school after hours.

I hope to see you all at the Port Elliot Primary School Movie Mania Premier on Thursday 7th July at Victor Harbor Cinemas. There are 3 sessions 4pm - 6pm (already SOLD OUT) and 8pm.

Nationally Consistent Collection of Data on School Students with Disability

We have commenced the annual nationally consistent collection of data on school students with disability ('the Collection').

This will involve the collection of: the number of students receiving adjustments to enable them to participate in education on the same basis as other students; the level of adjustment provided to students; and where known, the student's type of disability.

Under the Collection model the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information about your child will be included in this year's data collection.

If you have any questions about the data collection, please contact Les Cameron on 8554 3399. Further information about the Collection can be found at: <http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>

Don't forget to book into POSHC, with only 2 weeks to go before school holidays. Programs available from Front Office or POSHC. Cheers

COUNSELLOR

Flying Fish Awards Congratulations to all students who recently participated in the Busking Assembly. A big well done to Arnez and Zebadai who hosted the whole event.

SAPOL Keeping themselves safe

In the last two weeks Jane Pink from SAPOL has been working in classrooms presenting to students about Keeping Themselves Safe, Cybersafety, Bullying and Violence. The sessions were well received by both students and teachers and supported our term's focus on learning to keep ourselves safe.

SRC

On Monday 20th June Port Elliot and Goolwa Primary SRC attended Parliament House. Adrian Pederick and Michael Pengilly guided the students through Parliament House. It was an informative and interesting visit. I am sure students gained a better understanding of our government system.

I am on LSL this week and for the rest of the term. Natarsha Milis will be replacing me on some days. If you need assistance please see Natarsha, your class teacher, Les or Brenton. I will be looking forward to seeing you all next term.

Have a great week!
Cheers Karen

PARENT NETWORK

There will be a Parent Network meeting next Monday June 27th at 9am in the Staff Room. Anyone is welcome to attend and we would love to see some new faces. If you would like to be a part of Parent Network but can't attend the meeting please email your details to Parent.Network836@schools.sa.edu.au

PE AND SAPSASA NEWS

In PE we have begun our focus on Athletic Skills with running, jumping, throwing, control and aiming skills the main focus, along with discussing the Olympics which will be held later this year. We have also been discussing team work, strategies and fitness using Ultimate Frisbee and Frisbee skills as examples of how games can be modified and linked to each other and how skills are transferrable across many sports.

SAPSASA ATHLETICS

As part of our normal PE program we have been practising various athletic skills and events. Students born in 2006, 2005, 2004 and 2003 also have the opportunity to nominate and trial for the school's Athletics team who will compete at Victor Harbor Primary School later in Term 3. More information will be sent home with the selected team members soon.

SAPSASA DISTRICT CROSS COUNTRY

Congratulations to Poppy, Brandon, Jamie and Will for participating in the SAPSASA District Cross Country Team at Oakbank on June 9th. It was a very wet and muddy day but by all accounts they enjoyed the experience.

SAPSASA KNOCKOUT FOOTBALL

The boys played their Football match on Friday 10th June at Tatchilla School versus Tatchilla.

Thank you to Fraser and Brett for coaching and to Peta, Louise and Leann for driving and helping on the day. Thank you to the parents who also supported us. We fought hard in defence and applied many hard tackles, but unfortunately we weren't able to reward our hard work on the scoreboard. We were beaten 8 goal 6 points to 3 goal 4 points. Once again I was very proud of the boys' hard work and sportsmanship. They did PEPS proud. This means we are "knocked out" of the carnival and have no more school SAPSASA football for this year.

SAPSASA KNOCKOUT NETBALL

The girls played their third round netball match on Wednesday 22nd June at Strathalbyn against St Joseph's Murray Bridge School. A report will be in the next newsletter.

SAPSASA KNOCKOUT GIRLS SOCCER

The girls played their third round Soccer match on Friday 17th June at Seaford versus All Saints Catholic School. Thank you to Jamie for coaching and practising and to Kelli, Stacey, Cindy, Sue and Tyann for driving and supporting the girls on the day. We also had a lot of supporters cheering us on, which was great, thank you. The girls tried very hard and persisted right through the match, but unfortunately were not able to score a goal. We were beaten by a very experienced team. The girls enjoyed themselves though and learnt a lot about Soccer. This means we have been "knocked out" of the tournament. Well done girls, you did us proud.

SAPSASA BASKETBALL

We have entered 1 boy's and 1 girl's team each in the 2 carnivals to be held at Morphett Vale over the next few weeks. The Year 5 carnival is on Wednesday 29th June. I have held trials and the teams are practising during break times. Thank you to Kristin and Alex who have offered to help coach and manage the teams on the day. We wish both teams well.

The Year 6/7 carnival is at Morphett Vale on Wednesday 27th July. Final teams are being selected and practices are occurring. More information will be sent home with the selected team members soon. Thank you to Kristin, Kerry, Tammy and Alex who have volunteered to coach and score on the day.

SAPSASA DISTRICT HOCKEY

Congratulations to Shanice, Maggie, Sunset, Selena, Adin, and Hassan who were selected in the SAPSASA District Hockey teams. They are playing in a week long carnival in Adelaide. We wish them an enjoyable week.

SAPSASA DISTRICT NETBALL AND FOOTBALL TRIALS

Interested Year 6/7 students have been given information re the upcoming trials for the SAPSASA District Netball and Football. Please see me at school if you need further information.

Please refer to the school website for further PE News, SAPSASA dates and for a link to the SAPSASA

RESOURCE CENTRE

Issue 4 Scholastic Book Club orders have been sent to Scholastic. Books will be distributed to students when they arrive and have been processed by the Book Club organisers.

Premier's Reading Challenge

The closing date for the Challenge is **Friday September 9th 2016**.

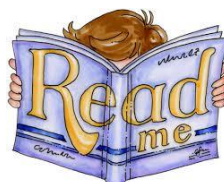

Encourage your child/children to complete their reading list as soon as possible.

Readers' Rap

Parents of students participating in the 2016 Southern Fleurieu Readers' Rap should have received notification of the change of date of this event. The event was to be held at Yankalilla Area School on Friday 2nd of September, but because of the change of date for the school's 60th Anniversary celebrations, it is now timetabled for **Friday September 9th**.

COMMUNITY NEWS

Learn to how to make short films on your phone!

Calling all budding, young film makers!!

Do you want to learn how to make short films on your mobile or tablets? If you are aged between 12 and 24, then you have an opportunity to attend a series of workshops in Victor Harbor during the October school holidays.

The workshops will run over 5 days; 11th -15th July 2016 (first week of the school holidays), and will be based at Signal Point. There will be off site filming at various locations in Goolwa and surrounds. During the workshops you will learn about story boarding, creating, shooting and editing short films from experienced tutors.

During the practical workshops, at least six short films will be made. These films will be entered into the Youth Showcase Extravaganza Short Film Festival on November the 4th 2016.

There are a limited number of spaces available for the workshops, and you must be able to commit to attend all the sessions and have your own mobile device that is capable of filming and downloading apps for editing .

These workshops are sure to fill fast, so secure your place now to avoid disappointment.

To register or for more information contact Youth Development Officer Lucretia Sperring on 8551 0586 or email lspering@victor.sa.gov.au.
