On 19th September, Mrs Allsop's, Mrs Norde's, Ms Dale's and Ms Slee's Reception and Year 1 classes visited Urimbirra, The Fleurieu Milk Company and Myponga Oval for nature play. This term we have been learning all about food production and looking at lifecycles. It was great to get out and about and experience the rich learning environment our local area has to offer.

We fed the kangaroos and the joey and saw a dingo and a guinea pig. The koala climbed on a tree. We went to nature play and we made a cubby house. Then we went to the milk factory. We got chocolate milk. Then we went to school.

Indonesian Studies

This term, the receptions have created class stories incorporating the vocabulary 'makan' and 'berlari'. Mrs Allsop's class have illustrated their class story for a book, which has been printed and is now available in the Indonesian room if you would like to borrow it! The student's illustrations are luar biasa!

Mrs Reedy's Year 3/4 Save The Rhino Class Fundraiser

In week 9, we held a fundraiser to help the African Rhinoceros survive in their African habitat. These beautiful animals really need our help so we wanted to do something spectacular!

We had a terrific time and were able to raise a huge \$2033.90! It was a magnificent effort and we thank everybody for their generous support and donations of toys and cakes.

The Port Elliot school community understands the importance of animals being able to share our planet. Along the way, we learned so much about the Rhinoceros and other animals that share its African habitat.

We also learned how to plan and advertise an event, the mathematics of income, expenses and profit, how to handle money and calculate change and how kids just like us CAN make a difference.

The winners of our raffle were:

1st prize- Isaiah B

2nd prize- Jack M

3rd prize- Holly T

The lolly jar competition - Ethan A

Congratulations to all!
