Student Leadership Transition Day

On Tuesday 12th November the Year 7 SRC Representatives and House Captains spent the day at Victor Harbor High School, along with student leaders from other local primary schools, involved in workshops, presentations and team-building activities organised by the High School Student Leaders.

This day is a continuation of the existing PEPS Student Leadership Day that occurs in Term 1 and supports the student leaders with transition to high school by strengthening the links between PEPS student leaders, other Primary School leaders and VHHS student leaders.

It was a great opportunity for students to collaborate with the student leadership team and share their experiences and expectations of life in high school. We wish them all well with their future leadership goals and ambitions.

CHILDREN'S UNIVERSITY

This year, Port Elliot Primary School had 19 students graduate from the Children's University Program.

The students were invited to a special Graduation Ceremony held at Bonython Hall at the University of Adelaide. Graduating students wore caps and gowns just like University students do.

Children's University is a voluntary education program run by the University of Adelaide. Students complete a range of extra-curricular activities in school holidays and after school.

Students choose which activities they would like to participate in and collect stamps in their passports.

If your child is interested in being a part of this program next year they can speak to Mrs Turley.
