Term 2 Reflections and Term 3 Movements

As we come to the end of Term 2 and reflect upon the first 6 months of 2021, I'm glad to say this has certainly been a much smoother year so far than 2020 was. Students have settled well into their classes, undertaken a range of high quality learning opportunities and enjoyed many camps, excursions and fun activities.

Your child's report is coming home today, 1st July 2021, and will provide a good summary of their learning. The student's own comments have been so interesting to read as they tend to be very truthful in their achievements and in the areas they need to improve.

Term 3 will see some changes in staff as we welcome back people from leave and say farewell to those heading to other opportunities. Thank you to Sam Hage who has been one of our Intervention and Support teachers in The Switch room. Sam has supported many students and families during his time at Port Elliot. He has also been able to bring therapy dog Eddie and Eddie's buddy Bailey. The two dogs have been popular visitors to classrooms and the yard. Sam is moving on to a classroom position closer to his family for Terms 3 and 4.

Anjie Collins will take The Switch Room teacher position 4 days a week and we welcome Starr Brown 2 days a week to support The Zone as this has been Anjie's role.

April Howes has been with us for 12 months as a Junior Primary teacher. April has been a welcoming person whom the students of Room 9:08 have bonded well with. She has worked to establish routines and expectations and I know many parents have spoken positively of her relationships with the children. While April finishes her time in Room 9:08 we are hoping to have her back regularly over the coming terms.

Welcome back to Natalie Mumford and Bryher Kelly as they return from maternity leave - Natalie, Mondays and Tuesdays and Bryher, Thursdays and Fridays - they will work alternate Wednesdays in Room 9:08 with the Year 1/2 class.

Also welcome back to SSO Cindy Kuhn, who is returning to Port Elliot after 6 months leave and will be working across various classrooms.

Some other staff information for next term; Vicki Lacey is on long service leave from Term 3. April Howes will take her class week 1, Justine Beadman will take Room 9:07 for the rest of the term. Sarah Slee returns for Long Service Leave Week 2 of Term 3. Justine will stay in Room 4:01 for the extra week before moving to Vicki Lacey's Year 1/2 class.

To all our students, staff and Port Elliot Primary School families, I wish you a safe and enjoyable mid-year break.

UNCLE MOOGY VISITS PEPS

On Friday 25th June, Ngarrindjeri Elder Uncle Moogy Sumner visited PEPS with his three grandchildren, Major, Havana & Liana.

"They were all painted up. Uncle Moogy and Major were dressed in a traditional way, looking as though they were ready for the ceremony."

"We watched them dance. The dances were mimicking the animals from Ngarrindjeri country, they are all a part of our Dreaming. PEPS students clapped along with the beat that Uncle Moogy kept with his boomerangs."

"Lots of PEPS students got up to dance with them, it was so wonderful to watch. Then some of the staff had the opportunity to dance as well. It was a lot of fun and felt great."

NAIDOC WEEK

NAIDOC week is coming up in the school holidays. The theme for 2021 is 'Heal Country'.

I have been busy co-ordinating two community NAIDOC events on the Fleurieu this year. MIPAAC are a local Ngarrindjeri Aboriginal Corporation, and for the first time this year, the NAIDOC events are being led and managed by MIPAAC - Aboriginal and Torres Strait Islander community, rather than it being a council event. Council staff have been a terrific support in the handover of the events. All are welcome to come and celebrate our rich culture and history, our people, and achievements.

See NAIDOC flyer on the last page for further information.

WATERPORT RESERVE WITH YEAR 4/5'S

In Waterport Reserve there is an old Historic Well and Police Horse Stable. Our class have been studying the reserve and helping to add to its educational and recreational value for the whole Port Elliot community.

Waterport Reserve is very fascinating. I loved the old well and the horse shed.

On our excursion we took pictures of the old well. I'm sure that the Aboriginal People used the fresh water as there are heaps of old shells there.

I liked the information signs and we want to plant more plants in the local flora arboretum.

Waterport Reserve is full of history and my imagination showed me the Police horses in the old stables.

Our class walked on the boardwalk, saw the old well and read the signs to learn about the local history.

We are now able to enter Waterport Reserve through the gate and the Alexandrina Council are making more paths around the local native plants as well.

Local Sporting Success Stories!

On the June long weekend the Country Championships for netball took place in Adelaide. Our school had 3 representatives as part of the Great Southern Netball Association teams. Jade played in the under 13s and Alice and Lexi played in the under 11s.

Jade played GS for the under 13s. The under 13s won 10 games of their 12 and finished 3rd overall. The under 11s played 5 games won 2, drew 1 and lost 2 and finished 4th overall. Alice played GS and WA and Lexi played GD, GK and WD.

If you have any local success stories involving our students, please let us know so they can get a mention in this section of the newsletter.

Local Sporting opportunities

Please refer regularly to the PE section of the school website for information about numerous local sporting clinics, clubs and opportunities for the students to be involved in after school hours and within the holidays.

Congratulations to our Netball Champs!

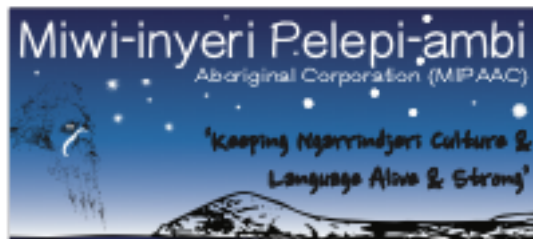

Jade, Alice and Lexi had a great opportunity to play against players from all over the state.

Well done girls!
