Better Choices at Breaks

At Port Elliot Primary we are always looking for ways to positively engage with students, both during class time and at breaks. This Term, our Student Wellbeing Leader, Karen Robinson and Assistant Principal, Rachael Norde, have been working with all staff to provide break time activities for students.

Staff volunteer their time during breaks for students to come and join in a variety of fun activities. We are also using this time to talk to students about life skills such as sharing, taking turns, showing good sportsmanship, being healthy and most importantly - challenging the students to do something a bit different.

There's no time to be bored during breaks at Port Elliot Primary! Please encourage your child to join in.
