COLOUR RUN

The Colour Run was a fantastic event. All students enjoyed participating on the day. A highlight was the adults being slimed! Thank you to all the families who supported the day and helped their child with gaining sponsorship. We raised lots of money for Parent Network which will get used to support various projects and programs at the school in the coming years. Thank you to the Parent Network volunteers, Student Representative Council and Student Wellbeing Leaders for working together to run the day so smoothly.

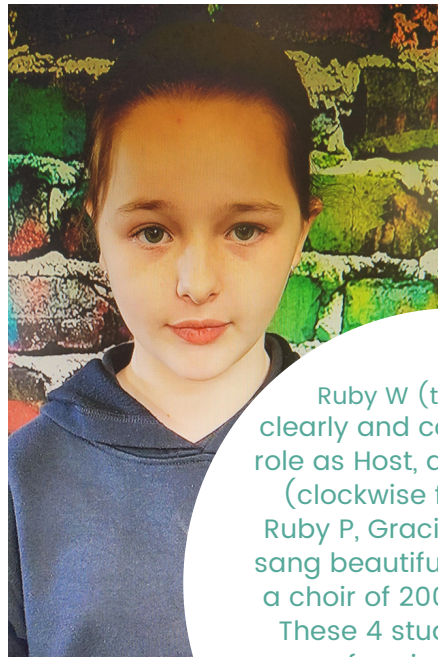

COLOUR RUN

As custodians of an iconic South Australian tradition, The Festival of Music engages students in artistic excellence, cultural diversity and social inclusion through performance in Music and the Arts.

With its genesis in 1891 as the Thousand Voice Choir, the program has been an integral part of South Australian life and stands as an official State Icon. This program reaches thousands of primary and secondary students annually and allows students opportunities to perform at prestigious venues, such as the Adelaide Festival Theatre.

Ruby W (top left) spoke clearly and confidently in the role as Host, and our 3 soloists (clockwise from top right) Ruby P, Gracie T and Zeeva R sang beautifully, supported by a choir of 200+ behind them. These 4 students won their performing opportunity through an audition process and attended workshops to prepare for the event.

Willem, Ava and James Dunkley performed as Guest Artists for the Southern Metropolitan Music Festival. Their piece La Cumparisita was played beautifully and received resounding applause. Always lovely to hear the siblings perform together.

FESTIVAL OF MUSIC – CONT.

Room 9.08 were successful in winning the back cover design for the poster competition.

Their artwork, supported and nurtured by Rachelle Dale, shows their response to the phrase 'music is life, life is music'. This design was printed on all programs throughout the theatre and given as keepsakes for performers. Great work!

There are Festival Choirs in over 300 schools across South Australia and our school has been involved since 2012. The Port Elliot Primary Choir of 29 performed beautifully at the Hopgood Theatre on Tuesday 1st November.

I love the Festival of Music! This year I was the assistant stage manager for the Adelaide season, which is 10 performances, and a troupe coordinator for the Southern Metro season. I have personally been involved in this Festival for 23+ years.

Our students love to sing and I am always impressed and proud to be working with the students and preparing them for their involvement in this iconic event. We have had a wonderful Choral Year!

Natalie Bond

This week, we had three students reach literacy greatness.

Arily N, Angus A and Lola I completed the full MacqLit literacy programme. MacqLit is an explicit and systematic reading intervention program for students from Year 3 and above.

Through their hard work and persistence, these students demonstrated excellence in phonemic awareness, phonics, fluency, vocabulary and comprehension.

Congratulations and remember to read every night!

Busking Assembly

Well done to all the participants for the Busking Assembly. You all showed confidence and there were some amazing performances. Well done to the winners as judged on the day. Thank you to the Student Representative Council members who came up with the idea, organised the flyers and auditions and ran the event on the day.

Please, Slow Down

Please take care when driving around the school at drop off and pick up times. The speed limit is only 25km when children are present.

Flash Fiction

We had a phenomenal response to our first ever round of Flash Fiction. 38 students submitted some of the best writing we have ever read. Each author will receive a free Zooper Dooper!

Here is a sample of the wonderful entries.:

As the young girl crept through the gloomy forest soft voices whisper in her ear pulling her towards a beaming light. Getting closer and closer she comes across a splintery wooden chest, she gently crouches down with the wind breezing through her light brown hair. The voices getting louder and louder, she opens the chest.

Charlize H - 10:01

The girl opened the box and saw a beautiful land, suddenly she heard a voice, "Please help us, we have been stuck here for a hundred years." The girl was shocked then she sprinted home. When she got there, her home was gone!

Sophie H - 4:03

Sprinting steadily, as she took in all of her surroundings, Finn spotted a familiar looking suitcase. Light spilled from beneath the cover and cautiously Finn grasped the lid's handle in her fragile fingers, lifting carefully. The light transfixed her as she intuitively stepped to its calling. The time had come...

PORT ELLIOT SHOW ART EXHIBITS

Our students were lucky this year to exhibit artworks at the Port Elliot Show. We have some very talented artists who won great prizes. The winners in junior art mixed media were:

- Mila K: Mixed Media (junior art) 1st place
- Zelie A: Mixed Media (junior art) 1st place
- Zeeva R: Mixed Media (junior art) 3rd place
- Charlie B: Mixed Media (junior art) 3rd place
- Oliver Z: Mixed Media (junior art) 3rd place

We also had two entries in the scarecrow section. Starr and Mrs Medlin's class did an amazing job winning 1st place! Willow S (Yr 5) made 'Russell the Scarecrow', entering it in the individual scarecrow section and won 1st place!

- Willow S: 'Russell the Scarecrow' 1st place
- Starr & Sophie's class: Scarecrow 1st place
- Vicki L: Decorated Boots - Best in Show 1st place

It was such a joy to enter into the show this year as students have sadly missed out for the last two years due to COVID.

We had 2 girls and 2 boys teams participate. Thank you to Blair, Corey, Fin and Matilda for coaching the teams. A full report with photos will be in the next newsletter.
