PARKING

The more students we have, the more cars come and go. It has been great to see the bike shed overflowing with bikes ridden to school lately, which helps to alleviate some of the parking issues. It also is a good time of the year to enjoy a walk to and from school.

Please **do not** park in front of our neighbours' driveways. We encourage people to use the drop off and pick up zone in front of the office area but if your child is not there, please drive on and do a lap of the block. This is **not** a parking area between 8-9am and 3-4pm.

Also the footpath closest to school is not for parking on as this provides access for the students walking and riding their bikes.

Parking on a corner is unsafe and illegal. This is designated by a yellow painted line. If you park on the line it is unsafe and you may be fined.

We appreciate the difficulties with drop off and pick up but hopefully if we all work together the busy periods can flow more efficiently. If you wish to complete a U turn when driving past the showgrounds please use the large carpark adjacent to the dog park as this is a safer area. Remember it is 25km an hour when children are present.

Thankyou for your support with these matters.

P.E. AND SAPSASA NEWS

In PE we are focusing on learning and further developing the skills required for successful team work and participation in Sports Day style events. We are practicing the chants, warm-up and trialling for places in some Sports Day School events.

Crows Visits

On Friday 23rd February representatives from the Adelaide Crows visited our school to give a whole school presentation. The students enjoyed the presentation about Growing with Gratitude and seeing Claude. Then we were fortunate enough to have players visit on Monday 26th February where, students had the opportunity to get autographs and to have a kick and a catch with the players. The visiting players were: Eddie Betts, Brad Crouch, Rory Laird, Dave MacKay, Alex Keath, Pat Wilson, Matt Signorello, Harry Dear and Reilly O'Brien. The students and adults all enjoyed this opportunity to meet the players and receive autographs.

SAPSASA SWIMMING

The SAPSASA Swimming carnival was held on Wednesday 21st February at Strathalbyn Swimming Centre. We had 17 students compete and represent our school. Well done to the students for trying their hardest and achieving their best result on the day. Joey Scouts (6-7years old)

Adventure

Can you build monsters and spaceships from scrap items? Have you ever grown a plant or hiked in the bush?

Joey Scouts are boys and girls aged six and seven who like having fun and making friends!

When you join Joeys you'll be part of a Mob. You'll play games and do craft activities.

nature

You'll find out about nature and learn about native birds and animals.

You might fly a kite, go bushwalking, go to the beach, or visit a fire station, zoo or farm.

fun

The Joey Scout motto is HOP – Help Other People! You'll learn to jump in and HOP, and to share with your friends.

You'll also learn heaps of useful stuff, like what to do in an emergency.

When you join in different activities and learn new things, you and your mates in the Mob can earn special badges to sew on to your Joey Scout shirts.
